

Call for business service providers to invest in development of new services

Enhancing Youth Employment project (EYE) in cooperation with Business Consultants Council (BCC) invites all interested companies and organizations that offer business development services to local companies to apply with innovative ideas for development of new services that in return would help domestic companies to grow and create jobs.

The goal of this activity is to improve the quality and access of business support services to the private sector.

The interested applicants must provide the following information:

- The rationale for the need of the new or improved service in the market;
- Potential beneficiaries;
- The strategy to target growth oriented businesses;
- How will the new or improved business service help businesses grow;
- What are the expected results from this intervention?
- Be able to cover at least 50% of the cost for investment in this new service.

This is a competitive award and the selection will be made based on the pre-determined criteria, which are outlined in the concept form. Please download the concept form at:

<http://konsulenca.org/en/publications> website and send your ideas no later than **June 29th, 2018**. The concepts shall be submitted at EYE email eyeinfo@eye-kosovo.org

EYE and BCC reserves the right not to provide any support if evaluation shows that the project do not meet the criteria and do not contribute to achieve project results.

EYE is project of Swiss Cooperation Office in Kosovo.
